

HOW to LOVE

Dear Dorris,
What should you do
when the person you like
doesn't want a relationship
but you do?

- Melissa Lauren Gonzalez

You are on a hike with
someone...

Suddenly, you reach a crossroad.

You want to go the way
that is steep, but surefooted

but the other wants to go the way
that is precarious, but exciting.

You can't exactly drag them
up the way you want to go

so you may need to end
the journey there.

Nonetheless,
you may choose to go along
with them, just so you
don't lose them

but when that path
inevitably collapses

you will be somewhere
you don't want to be.
